

JOB OPPORTUNITY

Job Title – ENVIRONMENTAL MONITOR AND FIELD ASSISTANT

- PGL Environmental consultants is seeking 1 short term contract worker to provide support to monitor excavation work, collect environmental samples and record field measurements during a 4-week environmental sampling program at the Graymont Pavilion Plant.
- Work is scheduled from October 3rd, 2022, to October 28th, 2022, but the start and end date may vary slightly depending on project needs.
- Typical hours of work are Monday to Friday, from 7:30am to 4:30pm.

Job Responsibilities

- Responsibilities will be assisting PGL's Site Supervisor with various field tasks during the environmental investigation program, such as:
 - Monitoring excavation work
 - Labeling sample jars, taking and recording field readings and notes
 - Collecting stockpile soil samples
 - Collecting water samples
 - Carrying and transferring samples and field equipment (less than 25 kg) between sampling locations.

Job Requirements

- High school diploma or equivalent.
- Comfortable working outdoors in all weather conditions, on job sites with heavy equipment.
- Ability to lift and carry equipment and materials weighing up to 25 kg for short durations.
- Comfortable working with materials potentially contaminated with gasoline and diesel fuel.
 - **PLEASE NOTE**, job specific training and protective equipment will be provided to handle any such materials.
- Worker must provide their own steel-toed boots. All other personal protective equipment can be provided if needed (high-visibility vest, hard hat, safety glasses, gloves, ear protection, signage, radios).
- Worker must arrange transportation to site.
- No resume required.
