

JOB OPPORTUNITY – Heavy Duty Equipment Operator

Job Title – Heavy Duty Equipment Operator

Wysnor Resources is seeking 1 short term contract worker to operate heavy-duty equipment such as excavators and loaders to excavate, move, load, and grade earth, rock, gravel, and other materials at the Graymont Western Canada site in Pavilion, BC.

This is a temporary part-time role with the potential to become temporary full-time on a Monday-Friday schedule.

Job Responsibilities

- Operates heavy-duty equipment, such as excavators and loaders, in accordance with Graymont's quarry procedures and standards,
- Performs daily pre- and post-trip equipment inspections and reports any needed repairs on broken or improperly working equipment,
- Conducts all activities safely following all Graymont Pavilion and Wysnor Resources safety requirements and SOPs,
- Performs other responsibilities related to the Heavy Duty Equipment Operator role as required or as assigned by the Site Manager.

Job Requirements

- Member of Ts'kw'aylaxw First Nation
- High school diploma or equivalent.
- Must be signed off on competency operating excavators and loaders. Heavy Duty Equipment Operator Certificate preferred.
- Possess a valid Class 5/7N driver's license and access to personal transportation.
- Minimum three (3) years of Excavator experience. One (1) year loader experience an asset.
- Comfortable working outdoors in all weather conditions, on job sites with heavy equipment.
- Ability to lift and carry equipment and materials weighing up to 22 kg for short durations.
- Comfortable working with materials potentially contaminated with gasoline and diesel fuel
 - **PLEASE NOTE**, job specific training and protective equipment will be provided to handle any such materials.
- Worker must provide their own steel-toed boots. All other personal protective equipment will be provided (high-visibility vest, hard hat, safety glasses, gloves, ear protection, signage, radios).
